

## Why do people settle in different areas?

### Computing

As computer technicians, we will be using digital mapping to support our geographical knowledge of the local area and use the Numbers app to formulate charts.

### French

As linguists, we will be exploring nouns for fruit and vegetables and how to ask polite requests as well as exploring a map of France and learning how to say where we live.

### Art

As artists, we will be exploring and developing our drawing skills using an Anglo-Saxon mask and Picasso as inspiration.

**Key Influencer: Pablo Picasso**

### D.T

As designers, we will be planning and making Anglo-Saxon stews and evaluating our final product.

### Music

As musicians, we will be developing our production for our audience. Later in the term, we will explore what stories music tells us about the past. We will be singing, listening, playing, improvising, and composing.

### PSHE

As part of our personal development, we will be learning how to lead a healthy and safe lifestyle.

### History

As historians, we will be looking at Anglo-Saxon settlements. We will be discussing the impact of significant historical events, people and places from this era.

**Key Influencer: Alfred the Great**

### Geography

As geographers, we will be investigating different settlements using OS mapping skills.

**Key Influencer: Marie Tharp**

### Physical Education

As athletes, we will be developing our skills and knowledge in cricket and athletics.

### Religious Education

We will explore the following questions:  
Does visiting the Ganges make a person a better Hindu?  
Could Jesus heal people? Did he perform miracles?

### Science

As scientists, we will be looking at light and sound. Our focus will be on clear explanations, accurate diagrams and planning fair tests.
