

Year 3 & 4

Music

How Does Music Make the World a Better Place? We will continue to improve our skills in listening, singing, recorder playing, improvising, and composing.

PSHE

As part of keeping safe, we will be learning how to help people if they get bitten or stung. We will also explore how to describe aspects of our identity, and to recognise similarities and differences between ourselves and others.

Computing

We will be working towards gaining our bronze iProdigy by developing our knowledge and understanding of different apps on the iPad.

Key Influencer: Bill Gates

What do we know about our World and how should we support it?

Religious Education

We will be investigating the following questions from the Hindu and Christian world view: How can Brahman be everywhere and in everything? What is "Good" about Good Friday?

History

We will investigate the cause and significance of a major volcanic eruption from the past.

Art

As artists, we will be exploring the artist **Hokusai** and how he captured the image of Mount Fuji.

Key Influencer: Hokusai

French

As linguists, we will continue to develop our conversation skills in French, developing key words for animals, and learning about French traditions.

Science

We will be investigating the importance of nutrition and finding out how different parts of the body have special functions.

Key Influencer: Elsie Widdowson

DT

We will be using pneumatic mechanisms to design moving monsters.

Physical Education

We will be learning new skills in gymnastics and dance. We will also be learning how to swim competently and confidently.

Geography

We will be describing the workings of rivers, mountains and volcanos. We will be comparing and contrasting Cambridgeshire with the Himalayas.

Key Influencer: Tenzing Norgay
